

MARITRANS® RELEASE AGENT

Release Agent for
Sandcarpet /
Stonecarpet
Coatings

TECHNICAL DATA SHEET
Date: 21.12.2022 – Version 22

Product Description

MARITRANS® RELEASE AGENT is a transparent, low odor, release agent that allows easy application of sandcarpet / stonecarpet finishes, without having the sandcarpet / stonecarpet mix stick on the trowel. By this way a quick, smooth and effective application is possible. MARITRANS® RELEASE AGENT is an integral part of MARITRANS® sandcarpet / stonecarpet system.

1

Product Information

- One-component, low odor

Packaging

- 1 kg metal pails

Color

- Transparent

Shelf Life

- 9 months from date of production

Storage Conditions

- Pails should be stored in dry and cool rooms for up to 9 months. Protect the material against moisture, frost and direct sunlight. Storage temperature: 5°-30°C. Products should remain in their original, unopened containers, bearing the manufacturers name, product designation, batch number and application precaution labels.

Advantages

- Simple application.
- Enables sandcarpet coating application.
- Low odor
- Highly effective

■ Uses

MARITRANS® RELEASE AGENT is used as a release agent for MARITRANS® sandcarpet / stonecarpet coating application.

■ Consumption

10% by weight calculated on the MARITRANS® quantity used as binder in the sandcarpet / stonecarpet coating mix. This coverage is based on application in optimum conditions. Factors like temperature and moisture can alter consumption.

■ Application

Mix MARITRANS® RELEASE AGENT with MARITRANS® and colored silica sand at indicated quantities for sandcarpet / stonecarpet coating applications.

■ Safety measures

See information supplied by the manufacturer. Please study the Safety Data Sheet. PROFESSIONAL USE ONLY

Our technical advice for use, whether verbal or written, is given in good faith and reflect the current level of knowledge and experience with our products. When using our products, a detailed object-related and qualified inspection is required in each individual case in order to determine whether the product and /or application technology in question meets the specific requirements and purposes. We may guarantee only that our products are compliant with their technical specification; correct application of our products therefore falls entirely within your scope of liability and Users are responsible, in any case, for complying with local legislation and for obtaining any required approvals or authorizations, when necessary, either for their purchase and/or for their use. Values in this technical data sheet are given as examples and may not be regarded as specifications. For product specifications contact our technical department. The new edition of the technical data sheet supersedes the previous technical information and renders it invalid. It is therefore necessary that you always have to hand the current code of practice.
